5 nights (1 free) in stunning remote beach lodge offering world class diving, coupled with 2 nights on magical, historical island

Be transferred easily by road from Nampula airport (off your international connection) to the stunning Ilha de Mozambique (Mozambique Island), an easy 2 hour drive away.

Spend the next two nights at the lovely bed and breakfast, Villa Sands. Located on the island, the team will plan and arrange any or all of your activities on the island, including historical tours, boat rides and eating out at the various restaurants on the island.

After breakfast on day 3, your driver will collect you from Villa Sands, and whisk you away through the baobab forrests, and past the giant insleberg on your way to Nuarro Lodge.

Spend the next 5 nights relaxed and barefoot! Enjoy the magnificent 2km beach in front of your chalet, snorkelling and diving right there. Or venture out into the wilderness with a mountain bike, exploring the nearby villages. Have a private picnic on a deserted beach or simply relax at the beach bar, sipping cocktails while watching the sunset - there is plenty to do at Nuarro Lodge!
